**Premier African Minerals Limited (“Premier” or “the Company”)
Conversion of loan and issue of equity**

Premier African Minerals Limited, the AIM-traded, multi-commodity mining and resource development company focused on Southern and Western Africa, is pleased to announce today that the Company’s Chairman and CEO, George Roach has today elected to convert an additional US\$144,119 (£95,000) of his outstanding loans to the Company in accordance with their terms into new Ordinary Shares in the Company.

As previously announced on 9 April 2015, under the terms of the existing Bridge Facility and Working Capital Facility provided by George Roach to the Company (the “Loans”), the Loans are unsecured and bear interest at LIBOR plus 3% per annum. George Roach may elect to convert all or part of the Loans into new Ordinary Shares in the Company. The conversion price shall be the lesser of the volume weighted average price of the Ordinary Shares for the five trading days immediately prior to the date of conversion or the closing price of the Ordinary Shares on the date of the Loans.

Following conversion by George Roach of US\$650,000 of the Loans as announced on 4 December 2015, the outstanding amounts of the Loans amounted to US\$374,643 excluding accrued interest as at 6 December 2015.

The Company has therefore issued today 21,087,680 new Ordinary Shares to George Roach (“Conversion Shares”) at an issue price of 0.4505p, being the volume weighted average price of the Ordinary Shares for the five trading days immediately prior to the date of conversion.

The Conversion Shares will rank *pari passu* in all respects with the existing Ordinary Shares. Application will be made for the Conversion Shares to be admitted to trading on AIM and admission is expected to take place on 18 December 2015.

On issue of the Conversion Shares, George Roach will therefore be interested directly and indirectly in aggregate in 309,044,866 Ordinary Shares representing 29.5 per cent. of the enlarged issued share capital of the Company. Following the issue of the New Shares, the Company’s issued share capital consists of 1,047,662,543 Ordinary Shares, with voting rights. This figure may be used by shareholders in the Company as the denominator for the calculation by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.

George Roach, CEO of Premier commented, “I am committed to maintaining an overall position at this level in Premier and intend to convert all or part of my loans to the Company as and when I am able.”
