

## For immediate release

13 January 2016

**Premier African Minerals Limited**  
("Premier" or the "Company")

### Issue of Equity

Premier African Minerals Limited, the AIM-traded, multi-commodity mining and resource development company focused on Southern and Western Africa, is pleased to announce that it has received direct subscriptions for £232,000 of new shares. The funds will be utilised to assist in the ongoing underground mining development and working capital requirements at the RHA Tungsten Project ("RHA") in Zimbabwe, of which Premier is the operator and holds a 49% interest, and for general working capital.

The Company has today issued, conditional on admission, 70,303,030 new ordinary shares ("Subscription Shares") at a subscription price of 0.33 pence per Subscription Share (the "Subscription"). The Subscription Shares will, when issued, rank *pari passu* in all respects with the existing ordinary shares. Application will be made for the Subscription Shares to be admitted to trading on AIM and admission is expected to take place on or around 19 January 2016.

### Securities now in issue

Following the issue of these Subscription Shares, the Company's issued share capital consists of 1,175,551,779 ordinary shares, with voting rights. The Company does not hold any shares in treasury and this figure may be used by shareholders in the Company as the denominator for the calculation by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.

### Forward Looking Statements

Certain statements in this announcement, are, or may be deemed to be, forward looking statements. Forward looking statements are identified by their use of terms and phrases such as "believe", "could", "should", "envisage", "estimate", "intend", "may", "plan", "will" or the negative of those, variations or comparable expressions, including references to assumptions. These forward looking statements are not based on historical facts but rather on the Directors' current expectations and assumptions regarding the Company's future growth, results of operations, performance, future capital and other expenditures (including the amount, nature and sources of funding thereof), competitive advantages, business prospects and opportunities. Such forward looking statements reflect the Directors' current beliefs and assumptions and are based on information currently available to the Directors. A number of factors could cause actual results to differ materially from the results discussed in the forward looking statements including risks associated with vulnerability to general economic and business conditions, competition, environmental and other regulatory changes, actions by governmental authorities, the availability of capital markets, reliance on key personnel, uninsured and underinsured losses and other factors, many of which are beyond the control of the Company. Although any forward looking statements contained in this announcement are based upon what the Directors believe to be reasonable assumptions, the Company cannot assure investors that actual results will be consistent with such forward looking statements.
